

Special Club Night Out to View the Movie...

# ***Ferrari 312B: Where the revolution begins***

**Thursday, December 7<sup>th</sup> at 6:30 pm**

**FITCHBURG 18 + IMAX**  
(formerly Star Theater)

**6091 McKee Road**  
**Fitchburg, WI, 53719**

Presenting a special, high technology event, bringing to the big screen for the first time in 4K, the story of one of the most groundbreaking, beautiful Ferraris ever made. A journey to experience the indomitable spirit of F1. The Golden Age years through the stories told by racing drivers and production designers capable of unforgettable feats. A tribute to a piece of Formula 1 history, to a car that is a work of art and a revolutionary futuristic prototype, that gave and still gives the whole world something to dream about.

Legendary F1 returns, with the car that helped it make history. 46 years after its last appearance on track, the Ferrari 312B, the car that left its mark on the history of the biggest racing team ever, as well as in the hearts of many, finds new life through the passion of an ex F1 driver who entrusted its comeback to the man who first designed it, Mauro Forghieri, with the aim of racing it once more on the Monte Carlo circuit.

Some big thanks go to Loren Ziglin for alerting members of the Madison Sports Car Club for this one time showing at the FITCHBURG 18 movie theatre. Movie tickets at the door or advanced tickets at:
